

Centralized Default & REO Asset Disposition

FMC's mission is to provide clients with a simplified, bundled solution to meet their default servicing needs, reducing overall costs & increasing productivity.

FMC's Approach Is:

- **Simple:** FMC assumes complete management and administrative responsibilities immediately upon referral and continues the process to conclusion which allows the client to best maximize their own resources.
- **Different:** By embracing on-going integration of new technologies FMC seizes opportunities often missed by competitors. Clients enjoy the simplified integration solutions and a fully integrated customer website.
- **Dependable:** FMC has created a network of industry professionals in all fifty states. From a simple deed in lieu to a national foreclosure and REO program, FMC's network is committed to superior customer service so clients see resolution sooner rather than later.
